# UUSM Public Meeting

**Being...Building...Becoming**

---

---

# Welcome!

- We are here today because we're preparing to submit a Planning application to the City of San Mateo to replace the building at the corner of Ramona St and E Santa Inez (purchased in 2015).
- Want to share plans with our neighbors and get your feedback.

# Who We Are:

The Unitarian Universalists of San Mateo (UUSM) is a member congregation of the Unitarian Universalist Association (UUA) that formed in 1952 and has been meeting in this neighborhood since 1969.

UUSM affirms and promotes seven principles, which we hold as strong values and moral guides. We live out these principles within a “living tradition” of wisdom and spirituality, drawn from sources as diverse as science, poetry, scripture, and personal experience.

# Why are we undertaking this project:

- Make this space our own - to reflect our values.
- Meet the current needs of the congregation.
- Create room to grow.
- Provide opportunities for the community.
